

# 2021 BUILDING RECOGNITION AWARDS

**Keynote Speaker**

New York Building Congress

## **NOW ACCEPTING APPLICATIONS!**

*Recognizing excellence in design and construction of buildings and building projects contributing to the architectural betterment of the Queens community since 1926.*

The ravages of the 2020/2021 pandemic did not stop the Queens real estate development community from continuing to grow and expand. While a number of projects were put on hold, many others continued behind the scenes.

It is my pleasure to announce the 2021 Queens Chamber of Commerce Building Recognition Awards Cocktail reception. For over 90 years, this marvelous tradition honors the architects, builders, engineers, interior designers and owners of buildings and building projects in Queens County. Our cocktail reception this year will be held at the **TWA hotel at JFK, on October 27, 2021**. We extend a cordial invitation to all owners, architects, engineers, and contractors with eligible projects to participate.

This years' event will continue to be a special event. We are, however, pivoting to a cocktail reception and due to production time constraints, we will be presenting the actual awards in a different manner. All application fees will be waived this year.

We look forward to your application and participation at our event on October 27th.

Sincerely,

A handwritten signature in black ink that reads 'Thomas J. Grech'.

Thomas J. Grech  
President & CEO
