

# Mets EVENTS Rules and Guidelines

Any items brought into the ballpark via the VIP lobbies must be able to be carried. No carts of any kind are permitted in the VIP passenger elevators.

If you are using a cart, you must take the freight elevator and be escorted by Citi Field Staff. The freight elevator is accessible via the loading dock at Gate 9.

Please do not move any furniture or Citi Field property on your own. Please contact the nearest Citi Field employee for assistance

Please do not drag any materials across the floor. Vendors that cause damage to Citi Field property within their allotted vendor area may be subject to a penalty fee.

Union electricians handle all electrical work, which includes supplying power lines to your equipment, connecting equipment to outlets and installing signs or banners that are lightened. They will only provide power sources to needs that are received in advance.

Please do not plug any equipment into an outlet unless it is assigned to the vendor area. Please ask the nearest Citi Field employee for assistance, when plugging in all items.

Vendors are responsible for clearing their own trash or putting it in the designated area. Those that do not are subject to a penalty charge.

All signs must be weighted stand-alone banners. Vendors may not affix any materials to any surface within Citi Field. Tape, glue, staples, nails, hooks, etc. used to hang signage or materials are strictly prohibited.

Alcohol that is brought for personal use is strictly prohibited at Citi Field.

Pallet jacks are strictly prohibited inside all event club spaces in the ballpark. Only carts are permitted inside event club spaces.
