COVID-19 Capital Costs Tax Credit Program Webinar

Did your small business have extra expenses as a result of the COVID-19 Pandemic? If you can answer YES to the following questions, you may qualify for a **CASH TAX REFUND*** of up to **\$25,000** from New York State's new COVID-19 Capital Costs Tax Credit Program!

Do you need support to begin the application process for the COVID-19 Capital Costs Tax Credit Program?

Empire State Development is partnering with FORWARD to administer the \$250M COVID-19 Capital Costs Tax Credit Program. **FORWARD** in collaboration with the **Business Outreach Center (BOC) Network** and the **Queens Chamber of Commerce** is hosting a webinar for New York small businesses to learn about the program, the application and complete the prescreening tool to **begin the application process to qualify for a CASH TAX REFUND*** of up to **\$25,000**.

*If you qualify for a refundable tax credit, you may receive a CASH Tax Refund after the credit is applied to any taxes owed.
